ADVANCE DIRECTIVES

It is our policy, regardless of the contents of any advance directive, that if an adverse event occurs during your treatment at this facility, we will initiate resuscitative or other stabilizing measures and transfer you to a hospital for further evaluation. At the hospital, further treatment or withdrawal of treatment measures already begun, will be ordered in accordance with your wishes, advance directive or health care power of attorney.

(If a patient should provide his/her advance directive, a copy will be placed on the patient's chart and transferred with the patient should a hospital transfer be ordered by his/her physician).
